

00:00.239 --> 00:04.159

How to collect money with PayMe for Business point-of-sale terminal

00:04.840 --> 00:08.119

It's easy to collect payments

00:08.119 --> 00:10.359

with PayMe for Business point-of-sale terminal

00:10.359 --> 00:12.479

Here's how it works

00:12.479 --> 00:15.560

To begin, enter the amount of the transaction

00:15.560 --> 00:20.319

Then, the terminal will generate a PayCode for the customer to scan

00:20.319 --> 00:23.840

Ask the customer to open their PayMe app and scan the PayCode

00:23.840 --> 00:26.000

Receive your payment instantly

00:26.000 --> 00:28.879

And a payment receipt is automatically printed

00:28.879 --> 00:30.120

It's that simple

00:-01.000 --> 00:-01.000
