

00:00.000 --> 00:04.679

How to make a refund with PayMe for Business point of sale terminal

00:06.079 --> 00:09.680

With PayMe for Business point-of-sale terminal

00:09.680 --> 00:13.000

you can manage full or partial refunds instantly

00:13.000 --> 00:15.840

Refunds are not charged, and the applicable portion of fees

00:15.840 --> 00:19.879

on the original transaction will be reversed

00:19.879 --> 00:24.159

Go into the side menu, and tap "Refund"

00:25.959 --> 00:29.280

You will be prompted to scan the bar code on the payment receipt

00:34.000 --> 00:36.880

or you can search for the transaction for refund

00:45.119 --> 00:48.080

Tap on the refund button on the screen

00:48.080 --> 00:49.759

Enter the refund password

00:51.759 --> 00:53.840

When entering the refund amount

00:53.840 --> 00:56.840

you can choose to do a full or partial refund

00:57.400 --> 00:58.759

Tap Enter

01:00.560 --> 01:03.520

A refund receipt is automatically printed

01:04.160 --> 01:06.480

That's it – hassle-free refunds at your finger tips

00:-01.000 --> 00:-01.000
